

Camp Woodie Past Camper Discounts

4 Month Payment Plan

Offshore Fishing Adventure Raffle

Camp Woodie is gearing up for an exciting summer camp season and we don't want your child to miss out. To help in these difficult economic times we are offering a \$50 discount to past campers who attend this year's level one camp and a \$75 discount to past campers who attend this summer's level two camp. To qualify for the discount you need to sign up your camper(s) by the end of April. This discount reduces the level one camp tuition from \$420 to \$370 and the level two camp tuition from \$575 to \$500. Remember the level two camp also includes a youth duck hunt at Camp Woodie next winter. Any friend(s) of a past camper who would like to attend Camp Woodie during the same week will also qualify for these discounts.

To make things easier on the family budget, you can also choose to pay for the camp tuition in four easy consecutive monthly payments using your credit or debit card. For the level one camp your payments would be \$92.50 per month, for the level two camp your payments would be \$125 per month. To qualify for the discount all you need to do is register your camper and make your first monthly payment before the end of April.

By signing up before the end of April your child will also qualify for the:
